

NSA North Texas Membership Drive

Now through June 1, 2025

We're growing our community—and rewarding you for helping us do it! Here's how current members can earn incentives and even win a free membership:

Refer & Earn

How it works:

- For every three (3) new members you refer who pay in full (PIF) by June 1, 2025, you'll earn a \$100 coupon toward your own 2025–2026 PIF membership dues.
 - New members pay in full for the remaining 2024-2025 year **and** the 2025-2026 year.
- You can earn multiple \$100 credits—there's no limit! (E.g. Refer six PIF new members by June 1? Earn \$200!)
- To qualify, your name must be listed as the referrer on the new member's intake form.
- Your coupon will be issued in June and can only be applied to next year's PIF dues. They are not transferable and have no cash value.

Referral Contest

Want to win a free virtual membership? Go big!

- Refer four (4) or more PIF members by the June 1, 2025 deadline and you'll qualify for the contest.
- The referring member with the highest number of total PIF referrals by the conclusion of the Membership Drive wins a FREE Virtual Membership for 2025 – 2026, a \$360 value, with the option to upgrade to a Face-to-Face Membership by paying the difference.

What New Members Pay

New members will pay a promotional Pay-In-Full rate which covers the remaining 2024-2025 year **and** the entire 2025–2026 membership year. (It's like getting one month free!

Note: The price will decrease each month to reflect the remaining months in our 2024 - 2025 year.)

This is a limited-time offer available only through this membership drive.
